EPAcomments. BDCPChap3.pdf

David -

we sent 3 sets of comments recently. Those below were on the BDCP itself. I sent a separate comments on finance chapter where they got some things wrong and made some unreasonable assumptions wrt EPA funding. Then yesterday, we sent comments on the DEIS admin draft.

Laura -

Please post this one instead. I just renamed the file so its not inaccurately called "red flags". Sorry for the confusion. That's what happens when I do my own word processing. - KS
